

Dear MOFET members

First, we humbly appreciate and thank you dearly for the warm welcome you have given to our growing organization. We promise to continue perfecting our activities every now and then. Please drop your suggestions to mofet2018@yahoo.com and visit www.mofet-education.com for more updates of our activities.

I have received a number of requests about our next year's calendar and I thought I should make a general reply even to those that wanted to know but did not get time to ask.

We are currently waiting for the government schools calendar to be able to fix our events with the actual dates, nevertheless the following are some events that are expected to appear in our calendar.

Examinations (2019)

S/N	LEVEL	MONTHS EXPECTED
1	Class Four	May, August, October
2	Class Six	October
3	Class Seven	March, June, August
4	Form Two	June, October
5	Form Three	November
6	Form Four	June, October

Other Major Events (2019)

1	School Directors' Seminar	January
2	Academic Symposium	March

We believe that having seen the challenges we experienced in our events this year, we shall improve (perfect) and make a clear mark to the education industry in Tanzania.

Thank you School Directors, Thank you School Managers, Thank you School Managers, Thank you Head teachers, Thank you teachers and parents for the immense support to MOFET.

Moses Klaut Kyando

Director General
